Friends,

## **Camille D. Miller Retirement - Walking the Walk**

I'm retiring September 16, 2017 on my 70<sup>th</sup> birthday. We are celebrating in Austin with a fundraiser for Texas Health Institute (THI). Please mark your calendars to attend! I would love to see you, but if you are not able to attend, I am requesting a contribution be made, in my honor, to THI.

My priorities in life have always been God, family and work - in that order. These are easy priorities to preach, but sometimes hard to practice. This is one of those times. I love the work I am privileged to do, but most of all I love the people I get to work with: Current and former Board, staff, partners, funders and interns. Some of you fit many of these categories and will always be considered dear friends.

Many of you know my husband, Bill, is experiencing some health issues. Bill is a great person, husband, father and father-in-law. He is my biggest supporter, cheerleader, confidant and the love of my life. Life has intervened and it is time for me to "Walk the Walk" and not just "Talk the Talk." His health and my health both demand it.

The Executive Committee of the THI Board has formed a search committee. Many plans are in progress and additional details are forthcoming.

Thank you for your continued support. Please send me a note, I would love to hear from you! I hope to see you on September 16<sup>th</sup> in Austin as we celebrate with all of you that have made this work that much more fulfilling for the past 22 years and 8 months.

God  
Camille D. Miller

Texas Health Institute (THI) is a nonpartisan, nonprofit organization focused on the development of health policy solutions to improve the lives of Texans and their communities. From acting as an honest broker and

hosting unbiased health policy forums that facilitate dialogue among policymakers and other healthcare stakeholders, to creating a vision of an improved future healthcare system. The THI newsletter is a monthly publication of Texas Health Institute written to update THI Board of Trustees and Friends of Texas Health Institute.
